# Photo Objects 150,000 for Macintosh

*Add a Unique, Professional Look to Any Project*

## DESCRIPTION

**A**rt Explosion® Photo Objects 150,000 gives you more than 150,000 creative possibilities for print projects, web projects and more!

Photo Objects are high-quality royalty-free photographs that are pre-masked and ready to add to documents in all of your favorite applications. This spectacular library of unique graphics makes it easy to achieve a powerful impression in print, in presentations and on the Web. There's never been a better way to complement your projects with relevant images - whenever you need them.

### Add Photo Objects to Your Projects in 3 Easy Steps

#### 1. Choose a Photo Object.

Instantly find the perfect image using our award-winning browser application. Just type a brief description of what you're looking for.

#### 2. Save the Image.

Easily export your photo object as a high-resolution JPEG image - or as a transparent TIFF, PNG, or GIF file. Even export your selection as a Photoshop file, complete with clipping paths.

#### 3. Place It in Any Document.

Just drag and drop your Photo Object into virtually any application - Quark Xpress, Illustrator, Photoshop, Powerpoint, Keynote, iWeb and more!
