## DESCRIPTION

Sesame Street has been educating and entertaining children for over 40 years. In **Elmo's World™**, children are invited to explore 6 favorite topics from the popular television series: Food, pets, telephones, bugs, shoes and farms. With Help from Elmo and his pet goldfish Dorothy, preschoolers interact with these familiar friends, objects and places through easy point & click activities

As children sing, play, read, and explore the games in this educational software it automatically adjusts to their ability level. Through helpful feedback and engaging activities, **Elmo's World™** encourages children to have fun and expand their imagination and creativity!

■ Designed for Preschoolers: Specially designed for ages 2-5 years

■ Elmo's World Features: Music, Videos, Puzzles, Creativity, Read-a-long, Listening, Computer Skills, Imagination, and Classic Videos

■ Easy Mouse Activities for Kids: Simply point and click.

■ Fundamental Skills Development: Problem Solving, self-esteem building, social development, language development, critical thinking and computer and mouse skills

■ Multiple Skill Level activities adjust to each child's skill level.

■ A leader in early childhood education, Sesame Street has received 117 Emmy Awards during 37 years of broadcasting.

■ Also available Sesame Street® First Steps™, Sesame Street® Learn, Play & Grow™ Preschool, and Sesame Street® Let's Go To Preschool™
