Sesame Street® Learn, Play & Grow Preschool™

Educational software from the pioneers in children's learning

For Windows & Macintosh

DESCRIPTION

Make learning fun with your best friends from Sesame Street®.

Developed by trusted experts in childhood education, **Sesame Street Learn, Play & Grow Preschool** is the 2nd in a series of software titles focused on early childhood learning and self-esteem building. With Elmo, Big Bird and Cookie Monster as playmates, **Learn, Play & Grow Preschool** provides children ages 2-4 with a variety of different learning activities including Language Development, Numbers, Music, Art, Shape Games and a study of People in Your Neighborhood. Preschoolers will also discover basic, yet critical, pre-reading, pre-math, categorization and creative expression skills through activities that grow progressively challenging as each area is mastered.

- **Designed for Preschoolers:** Specially designed for ages 2-4 years

- **Easy Mouse Activities for Kids:** Simply point and click.

- **Fundamental Skills Development:** Self-esteem building, social development, language development, mouse skills and computer skills

- **Developmental Categories:** Letters, Counting, Music Art, Shapes, Sorting, Grouping and more.

- **Multiple Skill Level** activities adjust to each child's skill level

- **Bonus! "Mouse Tips For Kids"** 5 easy steps that help your child learn to use the mouse.

- A leader in early childhood learning, Sesame Street has received over 100 Emmy Award nominations over 37 seasons

- Also available **Sesame Street® First Steps**
