

Berlitz® Fundamentals

Learning Essential Vocabulary for Travel, Business and More!

DESCRIPTION

For more than 125 years the Berlitz® brand has been synonymous with effective foreign language learning. With language centers spanning the globe, Berlitz has more satisfied students than any other program of its kind. Now *Berlitz Fundamentals* is guaranteed to make learning a foreign language fast, easy and fun!

Berlitz Flash Card Software Makes it Easy!

Berlitz Fundamentals is a different kind of language learning software. It's smart, personalized and very effective at teaching words and phrases with perfect recall.

Experts agree that words and phrases are the building blocks of language. *Berlitz Fundamentals* teaches you the basics faster by concentrating on vocabulary with a proven, proprietary learning process.

We've included dozens of word lists to build your vocabulary from the ground up. Learn more than 1,000 vocabulary words and phrases with our proven flash card method and hear each word with native speaker pronunciation. The software will even keep testing you on a word until you can recall its translation.

Choose from Three Different Ways to Learn

- Learn in your car with Berlitz audio cds
- Innovative iPod exercises
- Flash cards for your Palm Pilot and Pocket PC

What Sets Berlitz Fundamentals Apart?

- Ideal for busy people – learn on your computer, in your car or on the go!
- Learn essential vocabulary for travel, business and more.
- Focus on just the topics you want.

What Makes It So Effective?

Berlitz Fundamentals teaches you vocabulary in the subject areas you choose and then tests your recall, customizing its next moves as it assesses your knowledge.

- Interactive flash card Software for Windows and Mac
- Berlitz Audio CD course
- iPod Vocabulary exercises
- Palm and Pocket PC learning
