DESCRIPTION

Whether you're a seasoned pro, or just starting your search, **Ancestry.com Family Tree Maker Deluxe** gives you more exciting ways to discover your family history. With 100+ enhancements to help you, this new version creates your family tree faster, easier and better than ever before. Rich storytelling tools enable you to add photos, documents and videos. You can also incorporate historical records from Ancestry.ca, the world's largest family history website. **Family Tree Maker Deluxe** comes with a **free 3-month membership** giving you access to immigration and marriage records, census data and much more. Even create charts and reports of your tree in a variety of new formats to share with friends and family. The end result is a family history you'll treasure for years to come.

FEATURES:

- **Fast!** Quickly locate ancestors in immigration, marriage, voter, census records and more!
 - **Easy!** 100+ software enhancements make it easier than ever before to explore and document your roots.
 - **Fun!** View family timelines and interactive migration maps.
 - **Complete!** Free **3-month** membership to Ancestry.ca, the world's largest online family history resource. Seamlessly integrate historical records into your tree.
 - **Improved!** Create reports and charts with new templates and new graphic embellishments.
 - **New!** Smart Stories™ auto update as you edit your tree.
 - **Share!** Print attractive family tree keepsake books, calendars and posters.
 - **Network!** Connect and learn from other Ancestry.com members.
- And Much More:**
- **FREE iPhone app** – View and share your family tree on the go.
 - **The Companion Guide to Family Tree Maker** – Quick-read lesson book that makes research fast and fun.
 - **Family History Toolkit** – Invaluable family history reference books compiled on one DVD.
