DESCRIPTION

Help the top-rated preschool phenomenon and her friend Boots get ready to perform in their very own dance recital in **Dora's Ballet Adventures™**! This special software title has **3 engaging, multiple-level games** that let you get creative, move to the music, plus master fundamental preschool skills – all at the same time!

Designed specifically for ages 2-6, **Dora's Ballet Adventures™** gently challenges and encourages your child to help Dora and Boots find all the missing dance slippers so that everyone can step into the dance spotlight! Through multi-level games that work for all skill levels, preschoolers can collect dance slippers on Bunny Hop Hill, make performance magic onstage, dance a solo or a duet, take a snapshot of their costume and print and color it, and so much more.
