## DESCRIPTION

Whether you're a seasoned pro, or just starting your search, **Ancestry.com Family Tree Maker for Mac 2** gives you more exciting ways to discover your family history. With hundreds of easy-to-use features that seamlessly integrate with your Mac, you can discover your family history, preserve your legacy and share your unique heritage in no time at all. Rich storytelling tools enable you to add photos, documents and videos. You can even add historical records from Ancestry.com, the world's largest family history website. Only **Family Tree Maker for Mac 2** comes with a **6-month membership** and access to 5 billion U.S. immigration and marriage records, census data and much more. The end result is a family history you'll treasure for years to come.

### Organize Your Family History Privately & Conveniently on Your Mac ...

- **Exclusive!** 6-months free access to Ancestry.com, the world's largest online family history resource with 5 billion U.S. historical documents, photo archives and other family trees.
- **Easy!** Enter what you know and follow the green leaf icon "hints" to records that may hold answers about your ancestors. Attach records to your tree with 1 click.
- **New!** Keep desktop and online trees in sync with **TreeSync™**. Then update your tree from any Internet connection.
- **New!** Blended family view—see combined families, including step-families and adoptees at a glance.
- **New!** Image Capture Function - insert images from built-in or external iSight® camera.
- **New!** OS X Lion full screen mode to take advantage of your entire display.
- **Fun!** View family history timelines and interactive migration maps.
- **Creative!** Make family history charts and reports.
- **Enhanced!** Build trees faster with an improved user interface and upgraded help topics.
- **Share!** Print attractive keepsake family tree books, calendars and posters.
- **Connect!** View and share family trees on the go with our free iPhone and iPad app.
- **Bonus!** Family History Toolkit DVD - 6 invaluable family history reference books.
- **Bonus!** Companion Guide to Family Tree Maker for Mac 2 - printed lesson book.
