DESCRIPTION

Art Explosion. It's the brand that computer users everywhere keep coming back to again and again. And for good reason. Art Explosion products are well-known for unparalleled variety and the highest quality possible. And they offer the kind of truly stunning artwork that are missing entirely from other collections.

Art Explosion 600,000 continues this tradition with exclusive vector illustrations, brand new photographs, professionally-designed web graphics and more.

Included are 29 CD-ROMs, two CD-ROM portfolios, a 1300-page printed catalog and our exclusive Quick Locator index.

Best of all, Art Explosion 600,000 requires no downloads and no memberships. What you see is what you get ... and what you get is all inside the box. That means no rummaging through crusty old images on some sluggish web site with no hope of finding anything useful.
