## DESCRIPTION

Successful business planning requires more than an innovative idea. It requires tools you can trust. For more than a decade we've been providing business owners with the most sophisticated software available to express their vision with clarity — and get funded.

With this new version of Business Plan Writer® Deluxe 9.0 you'll be able to express your ideas more cohesively than ever before and in terms that both bankers and prospective investors understand and expect. By answering a series of questions in an "interview format," you'll be able to express your ideas cohesively and concisely — and win the praise and support of your readers.

When your plan is complete, you can print from inside Business Plan Writer® Deluxe or export it to Microsoft Word or a PDF file.

Best of all, with example text for every section and hundreds of real business plans to draw on, the toughest part of the writing job is behind you. The upshot: You'll complete your plan quickly and with absolutely no writer's block.
