DESCRIPTION

Photo Explosion made history as the first software of its kind to deliver powerful editing features, spectacular special effects and professional-quality photo projects all together in one program. Now, **Photo Explosion 4.0** makes digital photography easier than ever before with a brand new user interface and an improved workflow for fixing, enhancing and editing photographs. With this next generation in photo editing software, you can instantly upload your photo, slide show and video projects to popular social networking websites YouTube, Flickr, Facebook and SendPhotos. **Photo Explosion 4.0** is the most complete digital photo studio software available and the only you will ever need!

- **NEW!** Fix photo flaws in 1 click with QuickFix Studio.
- **NEW!** Make any portrait picture perfect with Makeover Studio
- **NEW!** Easily remove backgrounds with the Extract Tool.

- **NEW!** Powerful drawing tools
- **NEW!** Photo Props
- **Millions of Creative Combinations:** Advanced color manipulation, unparalleled special effects and painting tools. Add backgrounds, frames, props and balloons. Even turn photos into incredible panoramas or collages.
- Transform text with eye-catching effects, warp and shape options.
- Print photos in dozens of formats including contact sheets and thumbnails.
- **New!** 2,500+ Photo Projects including scrapbooks, greeting cards, certificates, posters, postcards, T-shirts and more!
- **New!** Share photos online with our FREE iPhone app.
- Instantly upload photos and slideshows to YouTube, Facebook, Flickr and SendPhotos.
