## DESCRIPTION

Make learning fun with your best friends from Sesame Street®.

Developed by trusted experts in childhood education, Sesame Street **Let's Go To Preschool** allows children to play at their own pace while providing a fun-filled opportunity to learn school readiness skills. Along with Ernie, Bert, Elmo and Zoe, children learn the fundamentals of language, reading and math through a variety of charming and engaging activities.

Designed specifically for ages 3-5, **Sesame Street Let's Go To Preschool** teaches children language development, cause and effect relationships, counting, reasoning, creativity and early reading. Entertaining computer activities, interactive play areas and multiple skill levels, allow children to build confidence as they master each subject.

- **Fun Computer Activities:** Exciting activities encourage children to have fun and learn
- **Multiple Skill Levels:** Children play at their own pace and activities automatically adjust to match their skill level
- **Developmental Categories:** Language, Reading, Math, Letters, Letter Sounds, Numbers, Counting and more.
- **Bonus Content:** Includes Classic Sesame Street videos!
- **Also available Sesame Street® First Steps and Sesame Street® Learn, Play & Grow**

A leader in early childhood education, Sesame Street has received 117 Emmy Awards during 38 years of broadcasting.
