**NEW!**  
Version 2.0

**“The results were outstanding. Everything landed exactly where it belonged.”**

– Joel Durham,  
PC Magazine April 2007

## DESCRIPTION

**M**oving up to a new PC by yourself can take hours, days or even weeks to do right. And even when you think you’ve finished the job, you’ll still find data that you’ve inadvertently left behind.

Don’t suffer through the hassles of manually migrating to your new PC. Transfer Your PC Deluxe 2.0 makes the move to Windows XP or Vista a breeze by automatically transferring applications, documents, settings, preferences and favorites in 3 easy steps. Now you can enjoy your new PC even faster – and with all the comforts of your old PC! Recommended by computer experts, this complete PC migration package also contains software to eliminate confidential files from your old PC as well as back-up software to protect important data on your new PC. Transfer Your PC Deluxe is compatible with both desktop and laptop PCs.

Get up and running on your new computer quickly and easily with Transfer Your PC Deluxe.

### MOVE TO YOUR NEW PC IN 3 EASY STEPS!

#### **STEP 1: Install the Software**

Transfer Your PC’s Wizard-driven interface makes it easy!

#### **STEP 2: Connect the Cable**

Use the included USB cable.  
Or use a network cable if you prefer.

#### **STEP 3: Transfer Your Old PC to Your New PC**

Transfer Your PC Automatically moves all your programs, files and settings to your new PC.

### COMPLETE SUITE INCLUDES:

#### **Migration Software**

Automatically move files, programs and settings.

#### **Privacy Protection**

Completely eliminate private files from your old PC

#### **Complete Backup**

Protect your new PC.

#### **PLUS!**

FREE USB Data Cable for High-Speed Transfer. A \$25 value!
